

AFTER DOCTORS FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her.

Williamstown, Conn.—“For five years I suffered untold agony from female troubles, causing backache, irregularities, dizziness and nervous prostration. It was impossible for me to walk upstairs without stopping on the way. I tried three different doctors and each told me something different. I received no benefit from any of them, but seemed to suffer more. The last doctor said nothing would restore my health. I began taking Lydia E. Pinkham's Vegetable Compound to see what it would do, and I am restored to my natural health.” Mrs. MRS. DONOVAN, Box 206, Williamstown, Conn.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulcerated fibroids, tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and suffering women owe it to themselves to at least give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

WESTERLY AND VICINITY

Local Representatives at National Librarians' Convention—Funeral of Charles Leroy Johnson—Officers of Athletic Association—Tuesday's Accidents—Reception at Methodist Parsonage.

Rhode Island will be well represented at the annual convention of the American Library Association to be held at Bretton Woods, New Hampshire, June 26 to July 5, inclusive. Librarian Joseph L. Peacock and Librarian Emeritus Ethan Wilcox will represent the Westerly public library. They will leave Boston with the New England train next Monday and reach Bretton Woods in time for the first business session.

William E. Foster, Miss Eva S. Gardner, Mrs. Mary E. S. Root, Miss Marion F. Bonner and Miss Harriet P. Tourtelot, will represent the Providence public library. Herbert O. Brigham will represent the Rhode Island state library, and H. L. Koonman, Earl M. Manchester and Miss Laura B. Gibbs will go from Brown University library. George P. Winship will represent the John Carter Brown Library and Miss Leonard three Athenaeum.

Mr. Brigham will attend also the session of the twelfth convention of the national association of state libraries, of which he is president, as will also Messrs. Peacock and Wilcox of Westerly. This convention meets at Bretton Woods at the same time.

The Hope high school baseball team of Providence, Rhode Island, Inter-scholastic champions, met the second of the season in the game on Monday with an All-Star nine selected from the seven school teams of the league, the All-Stars winning by score of 5 to 4. Art Burns of the Technical school was on the firing line for the All-Stars and twirled great ball.

He is the pitcher that the Westerly high school boys batted so freely on the home grounds recently, when the Technical were beaten 3 to 1. This fact is encouraging to the local lads and they are now confident of winning in the game with Hope.

Arrangements have been completed for a game between the Hope high nine, champions of the Rhode Island Inter-scholastic league, and the Westerly high team, winners in the Eastern division of the Connecticut league, on the latter's grounds Friday afternoon. The teams will probably line up as follows:

Hope—Eagles, Nelson, S. Andrews, McLeod, L. Brice, C. Mahoney, B. Walsh, D. Guld, W. McGovern, R. Westerly—F. Foley, C. Martin, B. Chapman, D. Dutton, R. Wheeler, B. Chapman, B. Spargo, H. Burrows, L. Foley, as.

The funeral services of Charles Leroy Johnson, who died at Watch Hill, Sunday, were held Tuesday at the cottage of his father, Gilbert Johnson, and were conducted by Rev. William F. Williams of Christ Episcopal church. The body and funeral party came to Westerly by special car on the Pawcatuck Valley street railway, and transferred in Dixon square to a special car of the Norwich-Westerly road. Burial was in the family plot in Yantic cemetery, Norwich. The bearers were Frank T. Dodge, Nathaniel Gorton, William P. Dodge, Dwight H. Rogers, B. B. Manchester, Jr., and J. A. Bottomley. The deceased was a member of the graduating class of 1904, Westerly high school, and the flag was half-masted Tuesday in respect to his memory.

Some ten or more years ago, Westerly purchased a mainmast and topmast for a liberty pole and there was wrangling in the town council as to its location, and this wrangling became contagious, and for months Westerly was without a public liberty pole.

The mainmast and topmast were in storage on the Westerly side of the Pawcatuck river, and some young men determined to settle the liberty pole question by stealing it and setting it up in Connecticut soil in the village of Pawcatuck. They succeeded in stealing the topmast, but were balked in their effort to get the mainmast.

The topmast was located in front of the residence of Bernard Halpin in West Broad street and the event was celebrated by a flag raising and spread eagle speeches. This flagpole has remained there ever since. The mainmast is now in service in front of the Westerly high school, another topmast having been purchased.

Actuated by the lines of Shakespeare, “The robbed that abuses, steals something from the thief,” some young men, comprising a regular yoranged club, are planning to get possession of the stolen flagpole and moving it well down Mechanic street, to use it as a liberty pole from which the stars and stripes will be seen daily from their club grounds. As no one claims ownership, and as there will be no trespass to get the pole, since it is set in the sidewalk, it would be no great surprise to find the flagpole missing from West Broad street some fine summer morning.

The annual meeting of the Westerly high school athletic association was held Tuesday morning and these officers were elected: Andrew J. Martin, president; Russell Dower, vice president; Raymond Hicock, secretary; George E. Bradbury, treasurer. These candidates were recommended by the advisory board.

Amendments to the by-laws provide that the advisory board shall serve for a term of three years; also, that members of the baseball team will be entitled to the W. and will not be required to pay association dues.

Milton A. Young, proprietor of a livery stable in Railroad avenue, while passing a stall in his stable Tuesday afternoon, was kicked in the right leg by a horse. The leg was broken about midway between the ankle and knee. Besides the bone being broken the flesh was badly lacerated. He was given temporary aid by a physician and was then taken to his home in High street where the fracture was reduced.

Some years ago Mr. Young's left leg was broken just below the knee under similar circumstances.

Charles H. Eldred, a civil war veteran, was seriously injured Tuesday afternoon by falling on the trolley tracks in Canal street, near Railroad avenue. With one of his sons, he was hurrying to catch the 1.51 train, when he stumbled against a rail and fell to the pavement, striking on his face. He was rendered unconscious and was taken into Blanchard's restaurant, where he was treated by a physician. His nose was crushed, his chin severely cut, and his face received other cuts and contusions. He was also bruised about the body. It is probable that his nose was broken, but that could not be definitely determined until the swelling is reduced. He was taken to his home in a carriage, where he was attended by his family physician.

The season at Watch Hill opens next week. Already there are many visitors, however.

About 250 Harvard students will be guests at the Watch Hill house, the day and night before the Yale-Harvard races.

The class to be graduated this (Tuesday) afternoon is the largest since the establishment of the Westerly high school.

Cap. Walter Davis of the Watch Hill life saving station has returned to duty after visiting in Washington and Canada. He was accompanied by Mrs. Davis.

Secretary of State Charles P. Bennett, formerly of Westerly, who is at Silver Spring, recovering from a nervous attack, is showing considerable improvement.

Rev. I. F. Lusk, pastor, entertained the official board of twenty-four members of Grace Methodist church, at the parsonage Tuesday evening, in an informal and enjoyable way. Refreshments were served.

Litchfield.—On Thursday the grange will give a flower show at the town hall.

Torrington.—It is understood that the Coe Brass company's plant is so busy that it will close for but one day on July 4.

Waterbury.—According to the monthly bulletin of the state board of health, there were sixty-five deaths in Waterbury during May.

Collinsville.—Poole Humphrey chapter, D. A. R., accompanied by Abigail Phelps, chapter of G. S. B., will have an outing today (Wednesday) at Elizabeth park, Hartford.

New Haven.—Dr. W. G. Anderson, director of Yale university gymnasium, has left to take up summer duties as head of the physical work of the summer session of the University of Utah.

Saybrook Point.—The rural mail route will start July 1st and will cover about fourteen miles. Herman C. Miller was the only one who took the examination in Middletown recently for the place.

Hartford.—Miss Minnie E. Doherty of Hartford is soon to leave for China, Kiang, China, where she is engaged to instruct the children of the Presbyterian and Baptist missionaries at work there.

Burlington.—The county commissioners have denied the application of Charles M. Boutwell of Leominster, Mass., for a license to sell liquor at the Woodland hotel in Burlington. The place has been without a license for some time.

Harwinton.—At a session of the probate court Judge David B. Mansfield committed the three daughters of Mrs. Cordelia Urson to the Gilbert home, “to save them from the example of their mother and the vicious atmosphere of the home.”

Thomaston.—Professor Small, who left Thomaston Monday for his home in Maine, will stop at Warren, Maine, and endeavor to secure for first assistant in the high school a young lady who is exceptionally well recommended. He will also spend some time in Boston looking up the credentials of teachers.

Miss Katherine Lee Bates, a literature teacher in Westerly college, has recently been awarded a prize of \$50 by the Chicago Madrigal club for a poem called “Gypsy Heart,” which will be used in the club's annual musical competition. There were 150 poems submitted, but hers was given unanimous first choice.

TUDOR TEA

THE TEA THAT GOES TWICE AS FAR

Tudor Tea is the most economical tea you can use.

It is so rich that only one-half as much Tudor Tea is required in brewing as is with ordinary teas—it goes twice as far yet costs no more.

Try a ten-cent packet—Your grocer has it in the yellow and black packet. It will make fifty cups costing only one-fifth of a cent a cup.

You'll find it a tea of perfect satisfaction, rich, yet mild and delicate in flavor, with none of the bitter, heavy, headachy leaves so often found in other teas.

We're so sure you'll like it we've authorized your dealer to give back your money if you don't.
